OUR MISSION

Dear Friends of the GCC,

We are an all-volunteer Board of Directors raising funds in and around Geneva to support worthy causes for almost 50 years. The charitable organizations we support are focused on providing needed services to residents in our community. These include:

- **Caring for Kids:** The GCC funds the donation of bicycle helmets and bike safety education for all Geneva first-graders, counseling programs to help children who lose a parent or sibling, and supports organizations that help kids suffering from abuse or living in troubled home environments.
- **Caring for Seniors & Helping Those in Need:** The GCC funds hospice care organizations, facilities for those with special needs, elder care, food pantries, homeless shelters, and organizations that provide emergency services.
- **Supporting and Shaping our Community:** The GCC supports literacy, housing and organizations that work to improve conditions for local residents. We also work with high school students through our "Vikings for Our Community" service group and award scholarships to three deserving students each year.

To learn more about the GCC, please visit: www.genevacommunitychest.org.

How Can You Help? Make a donation to help us continue our support of these charitable organizations. Support our **fundraising events:** our Wine Gala in March, Vikings for Our Community event in April, our 5K in July, and our Golf Outing in August. Watch our Facebook page "Geneva Community Chest" for additional fundraising activities throughout the year.

Please Donate Today by:
